### HIGHLIGHTS

**Thursday, April 25, 2:00pm Mini Musical with Nautilus Music and Resident Delores Mixer-** Originally part of a program with the Minnesota Opera, Nautilus Music-Theater separated and changed their name in 1996 and moved to their Lowertown St. Paul studio theater, where they remain today. Their focus is to develop best practices for telling stories through music, whether as America opera, musical theater, or alternative avant-garde work. Pleased to be partnering with Waverly Gardens thanks to two generous donors, Nautilus has created a “mini musical” using **Terrace resident, Delores Mixer** and her expansive life experience, to form this work. Delores, who will turn 102 in July, was an eager participant in sharing her artwork, life stories and her curiosity on how this could possibly be developed based on her life!

After the performance Nautilus staff and Delores Mixer will be available to answer questions and explain the process to create this music piece. -Auditorium
