## ABSENCES

Please inform the Reception Desk when you are going to be absent from your apartment for an extended period of time. Such information will be used for internal communication purposes and will enable Management to serve you better. Additionally, knowing an emergency phone number where you can be reached is greatly appreciated. If there is a need to enter your apartment, such as for a delivery, repair, etc. detailed written instructions are recommended. Please see Management for more information.

Additionally, in our care environments, we ask that family members, private caregivers and Residents sign themselves in and out, so we can verify your whereabouts in case of an emergency.

## ACTIVITIES/LIFE ENRICHMENT

All Residents are invited and encouraged to participate in daily activities. You are also encouraged to share with staff or volunteers the activities and programs that may be of interest to you. These may include Community outings, special events, parties, indoor and outdoor games, intergenerational groups and various small special interest groups. A monthly newsletter and activity calendars are available at several locations throughout the Community. You can also access our monthly calendar on our website at [www.facebook.com/phbloomingtonphs](http://www.facebook.com/phbloomingtonphs). For activities with limited space, sign-up sheets may be used. Reservations for these types of events will be on a first come, first serve basis. For some activities, fees may be charged for cost of services such as transportation, tickets, or supplies. Please be aware that every effort is made to reach as many Residents as possible with our activities programming, however, not every activity will be appropriate for all Residents.

## ALCOHOL

This Community may choose to serve, but not sell alcohol (wine, champagne and beer only) at Resident special events and theme dinners. Alcohol will be served only to those who are legally able to partake. Staff under the age of 21 are not permitted to serve alcohol. In our care environments, a doctor's orders may be required.

Residents are welcome to bring wine or other alcoholic beverages to the dining room during their dinner. However, our wait staff cannot open bottles/uncork or serve wine and other alcoholic beverages.

Residents and outside groups (civic or broader community Groups) who have reserved our common areas may be allowed to bring in and serve their own alcohol after signing a waiver as a part of renting the room and using our services. Reservations can be made with the Reception Desk.

### AMERICANS WITH DISABILITIES ACT

This Community is compliant with all State and Federal regulations with regard to accessibility for persons covered by this act.

### ANNUAL REPORTS

Annual reports are available by writing Presbyterian Homes & Services, Management and Services at 2845 Hamline Avenue North, Roseville, MN. 55113.

### APPLIANCES

Major appliances such as range, refrigerator, garbage disposal, hood exhaust, dishwasher, microwave, etc. which are provided by the Community will be maintained, serviced, repaired and/or replaced at the Community's expense. You are not allowed to install or use additional air conditioning equipment, major appliances or supplemental heaters without prior written consent of Management. Safety inspections may be conducted to ensure that the operation of all appliances and fixtures are safe. Instruction booklets for major appliances are available upon request. Any damage as a result of negligence/misuse will be chargeable to the Resident.

### AUTOMATIC EXTERNAL DEFIBRILLATORS

We currently have automatic external defibrillators (AEDs) installed in our building(s). The placement of the AED is based not only on the presence of residents, but also families, employees and visitors. Please see last page of handbook for listing of current locations. AEDs are designed to provide quick therapeutic intervention for adults experiencing ventricular defibrillation (a condition commonly referred to as a form of "heart attack"). The device was designed to be used without prior instruction.

There are risks associated with the use of AEDs. We cannot anticipate all such risks or describe all of them in this Agreement. However, some of the risks include the following:

- Use of an AED may not be effective in stopping an event of ventricular defibrillation.
- Even if use of an AED is effective, defibrillation alone does not insure survival. There are other essential components of intervention, including immediate identification of the life-threatening event, early notification of an emergency medical system (ambulance/EMTs), and follow-up therapy.
- Use of an AED may cause injury (such as electric shock or damage to bones or tissue) to the recipient and/or the AED user, although such injuries are rare.
- An AED may be used on a person who has a "Do Not Resuscitate" (DNR) directive. AED equipment is placed in common areas where access to DNR information may be limited, PHS should be considered just like any other public building that has this equipment available. It is most likely that the responder will not have the DNR information readily available at the time it is needed, and therefore an AED may be used.

Resident hereby acknowledges the foregoing and other unidentified and possibly unforeseeable risks related to the use of AEDs and, to the extent permitted by applicable law,

releases Owner, its agents, employees, and all Owner invitees from all liability related to the use of or failure to use an AED on Resident or any Resident invitee, except that no individual is hereby released from liability from his or her intentional wrongdoing.

### BALCONIES, DECKS, PORCHES & PATIOS

Management reserves the right to ask Residents to remove items that may pose a hazard or negatively affect the aesthetics of the building. For those apartments featuring a balcony/deck/porch/patio, the following policies apply:

Residents **may** have the following (subject to applicable local ordinances):

- Chairs, small tables (chairs and small tables left out during the winter months-*if covered*-must be covered with well-fitting outdoor furniture coverings)

- Holiday/Seasonal lighting and artificial greenery should be put up no sooner than 45 days prior to the holiday and removed within 30 days after the holiday. See also HOLIDAY DECORATIONS
- Electric Grills per PHS's Electric Grill Policy on Decks requirements (and as allowed by City codes)
- Other items with the prior approval of Management

Residents **may not** have the following:

- Grills that utilize an open flame. Charcoal, propane, wood, gas and smoker grills of any kind.
- Anything attached to, leaning up against, or draped over the railings including, but not limited to flags, towels, banners, signs, etc.
- Large, heavy planters
- Tarps or plastic wrap
- Candles (open flame type)
- Bird feeders

Smoking is not permitted on any balcony, porch or patio. Any customizations to your outdoor space require prior approval of Management. As a courtesy to your neighbors, when cleaning your balcony, please be aware of the balconies below yours.

### BEAUTY SALON/BARBER SHOP

This Community is pleased to offer a Beauty Salon/Barber Shop on the premises. The service is contracted through a licensed, private contractor. Rates are set by the salon and approved by Management. Please see the salon for pricing. As a courtesy, services will be charged to your apartment. Appointments are made by calling the salon at 952-948-3052.

The salon is a contracted space to the beautician. We license the shop, and per our space use agreement with the beautician, we do not allow others to use the space as the contracted beautician has their own equipment and supplies in the shop.

### BED MOBILITY ASSISTIVE DEVICES

For the safety of our residents, and in compliance with various regulations, PHS has a defined policy and procedure for usage of Bed Mobility Assistive Devices in our care environments. Residents who reside in one of our care environments must contact Management for assistance and review prior to installing any bed assistive devices. PHS has a defined list of approved devices for use in our communities.

### BENEVOLENCE

The purpose of the Benevolence Fund is to provide financial assistance to Residents whose assets and/or income are not enough to meet costs of housing and/or care. Helping those in need is at the very heart of our Mission. Benevolence subsidies are granted through an application process, must be renewed annually, and Residents are required to demonstrate need in order to qualify. Resources are limited. Access to Benevolence support is based on both the needs of the resident and availability of funds. Support may be provided by offering relocation to another location within PHS's continuum of care. Should you need more information or require help in this area, please contact Management. See also FOUNDATION.

### BILLING

Statements for rent, health care services and any additional charges will be mailed out around the first of each month. These charges may include, but are not necessarily limited to: meals, beauty salon/barber services, and maintenance or housekeeping services not normally included in the monthly rental charges. Full payment is due by the 10th day of each month, or within five (5) business days of Owner's delivery of any statement, whichever is later. PHS's expected method of payment is by electronic transfer via Automated Clearing House (ACH). Authorization for ACH will be completed upon move in/admission. By exception, an election to pay by check can be arranged. Any bank charges incurred by PHS for insufficient funds of a Resident's account will be billed back to you. Resident will pay for services and supplies provided by third parties according to the billing and payment policies established by those third parties. Each resident will indemnify, defend and hold Owner harmless from any claims by third parties for services or supplies provided that resident.

### BUILDING ENTRY SYSTEM

For security, doors into our buildings are kept locked. Visitors arriving may use the entry system to contact the Receptionist or person they are visiting to let them know they have arrived and be let into the building.

The use of candles is restricted. No open flame candles are permitted in hallways or common spaces.

Battery operated candles are recommended. Resident is responsible for all damages caused by use of candles by Resident or their visitors.

Other gathering spaces may also be available for group and individual use.

See also PASTORS.

### COMMERCIAL ENTERPRISES

Resident business or commercial enterprises are not permitted without the approval of Management. As a general rule, enterprises that require customers or suppliers regularly coming and going from the community would be prohibited. Further, use of equipment that could adversely affect the quiet enjoyment of other Residents is not allowed. No solicitation of other Residents is permitted. See also Solicitation Policy.

### COMMON AREAS

Common areas within the building are provided for you and your visitors to enjoy. We trust that respect for one another will be shown and common areas will be kept tidy. Furnishings are arranged to enable use by many and therefore we ask they not be removed or altered. At times of special events or gatherings, additional chairs and/or tables may be set up to provide additional seating space for large numbers.

Common areas may be available for private parties for Residents by arrangement. Reservation forms are available at the Reception Desk.

### COMMUNICATION

Presbyterian Homes of Bloomington communication will come to you by delivery to your individual communication slot, posted on bulletin boards, newsletters and reception desks.

### COMPUTERS

Computers are available throughout our community. Please see your Resident Services Director for locations.

### CONFIDENTIALITY

Resident files will be kept confidential. Management is authorized to release information of any type about you to your Legal or Designated Representative, as named in the Residency Agreement. Management is also authorized to release information to any health care provider who may be consulting with, caring for, or treating you, and to any person as may be required by law.

### CONTINUUM OF CARE

PHS strives to implement its mission by offering and/or coordinating a continuum of care and services. This continuum includes independent housing options, assisted living or other housing with integrated supportive services, respite care, skilled nursing care, short term/transitional care, dementia care, therapy, home care, hospice, and other services assisting older adults. PHS affiliates also provide a variety of services ranging from delivered meals to primary medical care and Medicare Advantage Special Needs Plans.

PHS is dedicated to helping individuals live as independently as possible while providing dignified and safe choices for care options within our communities. PHS offers a variety of services in the continuum of care at this and other PHS locations. Existing residents may have priority status for movement within the Community or transfer to other PHS communities, however we cannot guarantee that the specific apartment or location preferred will be available at the time of need. See also WAITING LIST/PRIORITY SYSTEM

Should you choose to utilize a provider other than PHS for services, we highly recommend you research and verify their credentials. For additional information contact Management.

### CUSTOMIZATIONS

No structural customizations/modifications may be made to your apartment without written authorization of Management. You are welcome to make decorating modifications such as custom color paint, with prior authorization from Management and with the understanding that upon move out you may be required to pay for the apartment to be restored to its original condition. Please contact Management for assistance or a referral to hang large or heavy items on walls (additional charges may apply).

### DAMAGE/SECURITY DEPOSIT

Your damage deposit is for any damage to apartment or building/grounds or unpaid portions of

rent or fees. You may not use it as a substitute for final month's rent. Annual interest, where applicable, will be at the rate prescribed by state law. Any unused portion of deposit will be returned to you within 21 days of termination of occupancy when a forwarding address has been provided. The damage deposit will be retained for any damage beyond normal wear and tear as determined by Management. If your damage deposit does not fully cover the costs of the damage, additional charges may apply. For more details see your Residency Agreement.

### DELIVERIES

Management, or the Reception Desk, may sign for deliveries/packages for you if the delivery service is unable to contact you directly. We do this as a convenience for you. We will not sign for deliveries that are alcoholic beverages or Resident medications. It is your responsibility to pick up packages upon notification. This Community is not responsible for packages left in common areas.

### DEMENTIA TRAINING & SUPPORT

The DOVE Signature Program for Memory Care is the culmination of many years of thoughtful consultation with PHS staff, families, and leaders in the field of dementia research. We believe that caring for the needs of those with memory loss grants us an extraordinary opportunity for ministry and we've made it a priority to raise the standard for this care.

#### **Dementia Training**

Presbyterian Homes & Services provides specialized training in the area of Alzheimer's Disease and Related Disorders to all direct care staff and their supervisors. Initial training will be made up of at least 8 hours and at minimum two hours annually. The initial training includes education in the following areas:

- An explanation of Alzheimer's disease and other dementias
- Assistance with activities of daily living
- Problem solving with challenging behaviors
- Communication skills; and
- Person-centered planning and service delivery

#### **Family Involvement & Support**

- We seek a partnership in care giving with families or other support systems.
- We recommend family involvement in support groups such as those offered by the Alzheimer's Association for those whose family member struggles with a form of Dementia.
- The Care Partner Guide is a valuable resource provided by PHS for Residents and families. Please see Management if you would like a copy.

### DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

The Department of Housing and Urban Development (HUD) is responsible for setting resident requirements such as maximum income and minimum age requirements to be eligible for living at Newton Manor. HUD also sets the Federal Regulations and general requirements that

management is required to carry out. HUD is responsible for paying and administering the monthly housing assistance payment. Newton Manor receives this payment per federal regulation. This payment helps to offset the actual cost of the development and enables PHS to rent the apartment to each resident at an affordable rate. PHS is required to submit periodic reports to HUD to ensure that the development is being managed properly, in accordance with federal, state and local regulations. Many of the procedures/processes done at Newton Manor are requirements of HUD.

### DINING SERVICES

We strive to offer a wide variety of nutritious and appetizing meals. We value your suggestions and comments. Meal delivery service to your apartment is available for a nominal charge and may be limited to specific mealtimes. For meal delivery, please contact the Commons kitchen at 948-3006. Visitors are welcome to dine with Residents of the Community, however continental breakfast (where offered) is provided for Residents and individuals utilizing our Guest Suites only. Reservations are needed for groups of 4 or more guests. Meal charges for you and your visitors are included on the Hospitality and Ancillary Services Rate sheet.

### DONATED ITEMS

We appreciate items (equipment, pianos, other furnishings, etc.) donated to this Community by you or your family. Due to need and storage limitations, please note Management reserves the right to accept or refuse donations. Disposition of items accepted will be at Management's discretion. Donated items become the property of PHS.

### DRAPERIES/WINDOW TREATMENTS

We provide and maintain window blinds for bedrooms in all apartments. Residents may take the responsibility of providing draperies/window treatments of their choice; however, draperies must complement the aesthetics of the exterior of our facility. It is Management's responsibility to ensure the appropriate appearance of the building from the outside; therefore, it is possible that Management may request a drapery change. When installing window treatments, please do not drill or nail into the wood trim surrounding the window. If you choose to install your own window treatments, you will be responsible for removing the original window treatments and storing them within the apartment. You will also be responsible to re-install the original window treatments prior to move out. Resident is responsible for costs of replacement for any damages to the original window treatments. Maintenance staff may be available for assistance.

### DRESS CODE

Residents and visitors are expected to be appropriately dressed when outside their apartments. Pajamas, bare feet, and exposed undergarments are examples of inappropriate attire.

Management reserves the right to address inappropriate choices of dress privately with a Resident.

### ELECTRICITY

Electricity is not included in your rent. This is a direct service from Xcel Energy. It is the Management's responsibility to contact the local electricity provider to arrange for service.

### ELECTRONIC MONITORING

You have the right to conduct electronic monitoring in your private living unit, as set for in Minn. Stat. § 144.6502. Further information, including the consent form required, is available from the Minnesota Department of Health: [www.health.state.mn.us/facilities/regulation/](http://www.health.state.mn.us/facilities/regulation/)

### ELEVATOR

An elevator is available for your use and convenience. The elevator is located in the Main Entrance of Newton Manor. In the unlikely event that the elevator becomes stuck, please follow the instructions in the elevator. Please do not try to resolve mechanical problems yourself. If you notice any problems with the elevator or hear the alarm bell, please contact Management immediately. Elevators are checked and maintained on a regular basis. **Do not use elevators in case of fire.** Elevators may not be available for use in a power outage.

### EMERGENCY PREPAREDNESS PLAN

A copy of our emergency preparedness plan is available at each Nursing Station in our care environments, as well as the Reception Desk. It is available for your viewing upon request. If you have any specific questions, please address them with Management.

### EMERGENCY EXITS

Emergency exit diagrams are posted on each floor by the elevator. In the event of an evacuation, emergency personnel or staff will direct you to the appropriate exit.

### EMERGENCY/FIRE PROCEDURES

In the event of a fire, all residents should shelter in place, or remain in their apartments unless: the fire is in your apartment, or an immediate evacuation is advised by Management or emergency personnel.

If the fire is in your apartment or the area where you are:

- Do not attempt to extinguish the fire yourself.
- Leave the immediate area of the fire.
- Call 911 from another apartment.
- Once the fire department has arrived, follow their directions.
- Remember do not use the elevator when there is a fire.

If the fire is NOT in your apartment:

- Stay in your apartment.
- Keep your door closed.
- Wait for further instruction.

This Community was constructed with numerous safety features to signal everyone in the event of fire and to contain any fires in certain areas to prevent the damage and loss of life. The building is zoned with firewalls through each floor and corridors. There are smoke detectors and sprinkler heads throughout every room, corridor, and common space in the building. If the alarm is activated, fire doors throughout the corridors and elevator lobbies will automatically close to contain the fire. Audible alarms will sound in all common areas of the building and resident rooms. Additionally, several fire panels throughout the building will be activated and signal the staff as to the exact location of the alarm. The fire panels are monitored by an outside company 24-hours a day and that company will contact the local Fire Department immediately in the event of an alarm. In our independent living environments, smoke will activate the smoke detectors and that room detector will sound only in the Resident's apartment. In our care environments, the smoke detector will also signal the staff through the emergency call box as to which apartment is affected. If the smoke is of sufficient nature to reach the corridor or any other common area of the building, then the main alarm system will be activated.

Residents should stay in their apartment with their apartment door closed if they hear the fire alarm. Because of the way the building is zoned with firewalls and fire-rated doors throughout, it is safer for residents to remain in their apartment than to attempt to evacuate. However, if a resident feels they are in immediate danger, they should evacuate using the stairs and **not** the elevator. If there needs to be a building-wide evacuation, the Fire Department will make that decision.

#### EMERGENCY/MEDICAL PROCEDURES

**Independent Living**– If able, call 911 yourself as the emergency responders will prefer to talk to you directly. If possible, please let Management know that you have called 911. If you are admitted to the hospital, please ask someone to notify Management of your absence. Except as permitted by your Residency Agreement, Management will not share information of your whereabouts without your permission or the permission of a responsible party.

**Care Environments**– Residents are encouraged to use their urgent call pendant to call the clinical staff on duty in case of a medical emergency. The staff will assess the situation and contact 911 if an emergency response appears appropriate.

#### EMERGENCY/WEATHER PROCEDURES

This Community is built to withstand strong winds and severe weather; however, it is important that Residents be thoughtful about how to respond in the event of severe weather. The following are recommended:

1. BE PREPARED

We recommend keeping a few items handy in the event of threatening weather, the loss of power, and/or injury resulting from severe weather:

- Your cellular phone (cordless phones may not work during power outages)
- A flashlight with batteries that work
- A battery-operated radio
- A first aid kit
- A blanket (for protection and to keep warm in the event of power failure)
- For care environment Residents – your Urgent Call Pendant.

## 2. STAY ALERT

If there is severe weather in the area, local television and radio stations are a good source of up-to-date storm information.

- SEVERE WEATHER WATCH means that conditions are favorable for severe weather. Prepare your apartment, listen to the weather reports, locate your cellular phone, a flashlight and battery-operated radio, and close your curtains or drapes
- SEVERE WEATHER WARNING means that severe weather has been identified. Take shelter immediately and remain calm.

## 3. REACT CALMLY

If there is a SEVERE WEATHER WARNING in our area:

- Stay in your apartment but move away from windows and glass; the bathroom is the safest room in your apartment.
- Listen to your battery-operated radio for severe weather updates.
- Please contact Management should you have questions or require assistance with advanced severe storm related planning and/or preparations.

## EMPLOYEE GIFT POLICY

Employees and contracted employees of PHS and its affiliates are not allowed to accept gifts or tips from Residents or their families. Receiving gifts from Residents or family members could make you or your family members feel that they need to give gifts in order to receive better care, or that employees are taking advantage of Residents. Therefore, as a condition of employment, staff of PHS are not permitted to accept tips or receive gifts. However, we realize that Residents have a right to exercise their own choices and may wish to acknowledge a specific service or individual. If you do wish to recognize an employee for outstanding work; we ask that you share your appreciation with a word of thanks, a card, or consider recognition through the PHS Shining Star program. If you wish to share a monetary gift with our Community, it can be designated to our Employee Appreciation Fund or to support other needs of the Community and/or Residents with financial needs. Please see Management or call the Foundation Office at 651-631-6418 for more information.

## EQUIPMENT

In our care environments, there may be times when your needs require some adaptations to your environment for your safety and that of our staff. Some equipment needs such as lift equipment, assistive devices, bed assist devices, oxygen equipment or other health-related

equipment needs, may necessitate moving furniture and/or making sure the equipment is installed per manufacture guidelines for safety.

It may also be required that mechanical lift equipment be used to assist you. This is intended to minimize the risk of injury to you and staff. Using lift equipment may also require a specific bed type to allow for access.

- Resident personal requests (for example: hanging a picture or mirror).

### MOVING PROCEDURES/POLICIES

*MOVING IN:* It is the responsibility of the resident and their family to move furniture, clothing and personal items into their new home. The date of the move-in must be scheduled with Management. We strongly recommend the use of a licensed, bonded, professional moving company. For Resident convenience, keys and garage door openers may be available prior to move-in.

All move-ins will take place through locations designated by Management to provide convenience to the movers and to reduce disruptions to other residents. At the time of move-in an Apartment Inspection Form will be provided for completion which will clearly document the existing condition of the apartment at the time of move-in. For your convenience, carts are available in the Laundry Room on the second floor of Newton Manor for moving small items and boxes. Empty boxes should be broken down and placed in the designated dumpster located in the Trash/Recycling room on the first floor of Newton Manor by the elevator. You may wish to order newspapers and/or cable TV services prior to the date of move-in, so that they are available on your first day. Arrangements should be made with the Post Office to forward mail to your new address.

*MOVING OUT:* At the time of move-out, the original Apartment Inspection Form will be reviewed. Any new damages, beyond normal wear and tear, will be noted and are your

responsibility. Damages will be withheld from the damage deposit. Any damages exceeding the amount on deposit will be billed to you or your estate. Proper notice is required prior to moving out of your apartment. Please consult your Residency Agreement for details regarding notice terms. PHS retains the right to show your apartment to prospective Residents during your notice period. We continue to respect your right to privacy during this period and will give you notice prior to showing. Upon moving out of your apartment, all keys/fobs and garage door openers must be returned, storage areas must be cleaned out, and the apartment must be cleaned according to guidelines you will receive at the time of notice. Notify cable company in advance of move-out if Resident has cable TV. Please notify the local Post Office of the move-out date. A forwarding address is required so that we may send a final statement and return any applicable deposit.

*INTERNAL MOVES:* PHS recognizes that you may need or desire to move from one apartment to another, to another setting, or to another PHS community. As a current Resident, you may be given priority consideration. Generally, when more than one person requests a move to the same apartment or space, we consider urgency of need first. Please see Management for further information. Please be aware that the costs associated with an in-house move will be your responsibility. With certain specific exceptions, there is a transfer fee for moves within a setting.

Please do not remove the Community copy from the dining room.

#### NONDISCRIMINATION AND LANGUAGE ASSISTANCE

PHS complies with applicable civil rights laws and does not discriminate on the basis of race, color, national origin, sex, age or disability in their health programs and activities. PHS also does not exclude people or treat them differently because of race, color, national origin, sex, age (except as allowable under law relative to our Statement of Intent to Serve) or disability. For the safety and wellbeing of all Residents, PHS does require Residents comply with the

Residency Requirements of the Residency Agreement and will work with each Resident to address any concerns about those requirements.

PHS will (1) provide appropriate auxiliary aids and services free of charge and in a timely manner when such aids and services are necessary to ensure an equal opportunity to participate to individuals with disabilities, and (2) provide appropriate language assistance services free of charge in a timely manner when such services are necessary to provide meaningful access to individuals with limited English proficiency.

Please contact Management for assistance. If you desire a personal visit from our community Pastor, please contact your Resident Services Director.

### PERSONAL PROPERTY/VALUABLES

PHS encourages all residents to appropriately protect their personal property and their valuables. Residents should lock the door to their apartment. All Residents should secure their valuables and never leave jewelry, cash and credit cards exposed on dressers and tabletops. Arbor Residents are encouraged to not have valuables in their apartment. Family members should care for those items. In the event of a suspected theft please contact Management immediately. See also RENTER'S INSURANCE.

### PEST CONTROL

A pest prevention program is in place. Please call Management if you see insects or other pests. If your neighbors have pests, we may make an appointment to treat your apartment also as a preventative measure. Please do not feel embarrassed if you see pests in your apartment. We realize that pests travel from one apartment to another and a report does not necessarily reflect upon your housekeeping efforts. It is to everyone's advantage that these problems be reported immediately. If Resident or his/her invitees are determined to be the source of an infestation, Resident may be responsible for extermination and control expenses.

### PETS

#### **Visiting Pet Animals**

PHS allows domestic pets with current immunizations to visit the community. The owner of the pet is responsible for its behavior at all times. Visitors who bring pet animals may be asked to sign a Pet Release form, which is available from Management, and must respect and recognize that some Residents and other visitors do not wish to have contact with animals.

Documentation of immunizations and health records must be available upon request. Animals must be under the control of owners. No retractable leashes are allowed. Pets must be on a leash of a fixed length no longer than six (6) feet. Visiting animals must be kept out of kitchen areas, sterile supply areas, medication rooms and all dining areas. Exotic and/or domesticated farm animals are not permitted unless they are under the supervision of trained animal handlers. All pet owners must clean up and dispose of waste appropriately. Contact management if assistance is necessary.

#### **Resident Owned Pets**

Certain animals are allowed as pets in most settings. Approved animals include small caged bird species, domesticated dogs and cats, and fish in aquariums not exceeding 20 gallons. Dogs may be restricted by size. Birds of prey and snakes are specifically prohibited as Resident pets, along with any wild, undomesticated, vicious, destructive or uncontrolled animals. With the exception of a working animal, defined as an animal trained and certified to assist the disabled (Service Animals), no Resident owned dog, cat or other pet will be allowed in the dining room, Community kitchen, and laundry room or beauty/barber shop. A pet owner may not take a pet into the apartment of another Resident without the explicit permission of the Resident. Management may limit pets to certain floors in the building. Pet owners are required to sign a Pet Responsibility Addendum to their lease and pay an additional refundable Pet Fee. For details about these responsibilities, please see Management.

### **Community Owned Pets**

In some instances, a Community may choose to own a pet or pets, including birds in aviaries, fish in aquariums and cats or dogs. With the approval of Management these animals may be allowed off leash within the Community. All other rules, as set forth above, will apply.

Management reserves the right to enter apartment in the case of emergency, or safety. For cleanliness and odor control, all containers should be rinsed clean before recycling. All boxes need to be broken down. We request your help and adherence to this recycling policy. Please do not place CFL bulbs or batteries in the trash.

### RENT AND OTHER COST INCREASES

This Community strives to provide high quality housing and services at affordable rental rates. Management completes a budget projecting the expenses and revenues for this Community. Rental rates are then determined to offset the anticipated expenses. Consult your Residency Agreement for specific information relating to notice periods. We advise Residents to anticipate rental increases.

### RENTERS INSURANCE

PHS strongly encourages prospective Residents to consider purchasing renter's insurance coverage prior to moving into a PHS owned or managed community. Renter's insurance can cover loss of your personal property from many risks including fire, lightning, windstorm, hail, explosion, smoke, theft or vandalism, water-damage from home utilities, electrical surges, as well as many other perils.

Your renter's policy can also protect you from loss for liability resulting from personal injury or property damage to a third-party, whether the incident occurred within your rented residence or elsewhere.

Renters insurance is relatively inexpensive and readily available from most insurance companies. If you are moving to a PHS community from your own home, your insurance agent

may be able to transition your coverage from a homeowner's policy to a renter's policy with the same insurer.

#### RESIDENCY AGREEMENT/LEASE

All Residents of PHS Communities must sign a Residency Agreement, also called a lease. It is a legal contract between you and Management. It is enforceable by both parties. Please read it carefully, as information in the Residency Agreement will answer many questions. The rules set forth in the Resident Handbook are also a part of your rental terms and conditions. Consult your Residency Agreement for specific rental terms and notice periods. Under the terms of the Residency Agreement, Resident is obligated to comply with the rules set forth in this Handbook.

#### RESIDENT CONDUCT/EXPECTATIONS

You are expected to conduct yourself in a respectful way. All Residents may expect the quiet enjoyment of their apartment and common areas of the building. Out of respect for fellow residents, "quiet hours" may be implemented. Disturbances may include excessive volume of TV or stereo, slamming doors, raised voices or noisy visitors. Please inform Management of any disturbances.

#### RESIDENT DAILY CHECK SYSTEM

All Residents in the assisted care environments will be checked at least once daily, either in person or by phone. This check does not include an assessment of the Resident's well-being, but simply a visual or voice-to-voice confirmation that the Resident is present and responsive.

#### RESIDENT FUNDS

In our care centers, upon admission Residents will be informed of the availability of trust accounts for safekeeping of their personal funds. Residents have the right to choose to use an account. Residents wishing to utilize a trust account are asked to sign a Resident Trust Account Authorization Form. Residents have the right to deposit and withdraw personal funds as needed. Refer to Resident Trust Fund Policy and Procedure for further details.

#### RESIDENCY REQUIREMENTS

You must meet certain requirements in order to continue to live in this Community. Please consult your Residency Agreement for further information and a full description of these Requirements.

#### RESIDENT MEETINGS/COUNCIL

This Community will hold periodic meetings with Residents for the exchange of information and ideas. Meetings are typically held every other month in the Newton Manor Dining Room. This meeting will be listed in your life enrichment calendar. The purpose of these meeting is to facilitate communication between Residents and Management. We welcome your feedback. If you have a specific issue please make an appointment with Management individually, as open meeting may not always be the proper channel for resolution.

## SAFETY

Providing a safe environment is of utmost importance to this Community. Please report any safety concerns to Management immediately.

## SAFE MOVEMENT

Residents and visitors are expected to use reasonable caution while moving about the buildings, grounds, garages and driveways of this Community. Precautions will be taken with regard to speed, suddenness and direction of movement. Individuals will be responsible for damages caused by movements lacking reasonable care. Individuals will not be unreasonably restricted by this policy. This policy will apply equally to all individuals, with or without the use of vehicles or assistive devices. Please see PHS's Safe Movement Policy for more information.

## SALES (ESTATE, GARAGE)

Other than community sponsored events, garage and estate sales are not allowed.

## SECURITY

Building security is important to everyone. This Community is equipped with many features to limit the potential of incidents. These features may include controlled entry system, dead bolt apartment locks, peep holes, security cameras, and controlled access to building keys, fobs and codes. Common areas may be under video surveillance. Periodically, building locks and or garage entry codes may be changed. PHS also conducts criminal background checks on all our employees and volunteers. The task of keeping the building safe and secure is not up to the staff alone. You should always keep safety and security in mind. You play the most critical role in controlling access to the building by non-Residents. Here is a list of some of the expectations that Management has:

- Do not let anyone in the front door whom you do not know and trust. We have an entry phone for visitors to use. Instruct your visitors to follow the same rule.
- Never "buzz" the door open to let a stranger in the building. Criminals sometimes use names from the directory to gain access.
- When using the garage doors, stay just inside or outside the door and wait for it to close.
- Call the police (911) and contact Management if you see anything suspicious.
- Management recommends keeping your door always locked.

Management is not responsible for the actions of, or for any damages, injury or harm caused by third parties (such as other Residents, visitors, intruders or trespasser) who are not under Management's control.

## SERVICE ANIMALS

Animals used to assist, support or provide services to persons with disabilities will not be considered pets, and standard Pet Policies do not apply. Service Animals will be reasonably accommodated. Please see Management for Reasonable Accommodation policies and rules regarding Service Animals. Keepers of Service Animals will be responsible for their care, and for

clean-up of all waste.

### SIGNAGE

Signs will be allowed to be displayed on PHS property provided they are in accordance with the Community sign policies and/or procedures as well as applicable City Ordinances and State Statutes. Signs posted by Residents do not imply any statement of endorsement from PHS.

Generally accepted signs include community special events, educational events, political campaign/election ballot signs, civic activities and signs expressing opinions on subjects related to political issues or having political content. Residents are encouraged to be respectful of other Residents and staff in discussion and advocacy. See also BALCONIES, DECKS, PORCHES & PATIOS and SOLICITATION

### SMOKING AND CANNABIS

All PHS communities are smoke-free. This policy prohibits smoking of any kind (including, but not limited to vaping, e-cigarettes, and cannabis products) in any area of the building or grounds, including your apartment, parking garage (inside or outside of your vehicle), balcony or patio by you or your visitors.

Possession of cannabis products by Minnesota residents is strictly limited to only what is permissible by state law. Cannabis products may not be consumed, displayed or handled outside a resident's own enclosed private living unit.

### SOLICITATION

#### ***General***

Door to door solicitation by Residents or non-residents is not allowed, subject to the exception below regarding Political Solicitation. Political or religious viewpoints/advertising/solicitation/material postings are limited to the interior of apartment or windows and balconies and not be posted on Resident apartment doors, corner shelves or in common areas. All apartment doors must be kept in a neat, orderly fashion. No stickers of any kind may be adhered to the doors. At the discretion of Management, an opportunity may be provided to solicit for fund raising activities, products, services, or types of educational programs that may be a direct benefit to the Residents.

Persons or companies providing educational programs are required to adhere to the following restrictions:

- No specific solicitation may be made for the company they represent.
- No pitch for a specific product may be made.

- No lists of Resident names or signup sheets may be taken.
- No distributed handouts can directly solicit their company products or services.
- Handouts should be of informational or educational nature only.
- No solicitation material to be posted outside a Resident door.
- It is permissible when requested by an individual Resident, to provide information about themselves, their company, or their products or services.

Residents are encouraged to be respectful of other Residents and staff in discussion and advocacy.

### ***Political Solicitation***

PHS recognizes the rights of political candidates to present their information and views to PHS' Residents.

#### **In Minnesota,**

Multi-housing communities are required to allow political candidates who have filed for election the opportunity to enter and campaign within the building, together with a limited number of campaign staff. Candidates will be encouraged to meet the Residents in common areas, at an agreed upon scheduled time. Candidates will be strongly discouraged from disturbing Residents by knocking on doors. Our preference, to protect the privacy of our Residents, would be for candidates to leave their printed materials at our main entrances to be distributed to Resident reading areas.

See also BALCONIES, DECKS, PORCHES & PATIOS and SIGNAGE.

### SUGGESTIONS

We encourage and welcome suggestions to improve or enhance the experience of our Residents and their visitors. Please submit suggestions to Resident Services.

### SYRINGES AND LANCETS

All who use hypodermic needles are required to dispose of used needles appropriately. **Never** dispose of used needles in the trash receptacles or recycling bins. This could pose a danger to other Residents, employees, and trash haulers. "Sharps" containers are the only appropriate receptacles for disposing of used needles. They are available at any local drug store, medical supply store or through our Clinical department(s). Please contact Management when you have a full container, so arrangements can be made for proper disposal.

### TELEPHONES

A landline phone number is provided with each apartment through a centralized building phone system. You do not have to contact the local phone company for phone service. Residents in housing environments must provide their own phone. This phone and line is useful for letting visitors into the secured building and is tied to the response system for location purposes. A phone number will be assigned to you. You will not be able to retain your old phone number. Please check with management to see if phone service is included in your monthly rent. At your request, this Community will forward your phone number for placement in the white pages and list it with 411/information service. Also, an in-house phone directory will be distributed and

updated periodically, and your number will be included unless you instruct us otherwise. For calling within the Campus, dial the star sign (\*), then the last four digits of the phone number. Additional features (ie caller ID, voicemail) on the phone system may be available. Please see the Hospitality and Ancillary Rate sheet for fees/rates.

If you have any difficulties with phone service, please contact Management.

### TELEVISION

Each apartment is equipped with television outlets. Antenna service is included in your rent. Resident must contact Comcast directly if they want cable TV services. A coaxial cable is needed for hook up to these outlets. Please be considerate of the other Residents in the Community with television volume. If your television volume disturbs the quiet enjoyment of your neighbors, management may suggest the use of a hearing device or other assistive services such as closed captioning.

### TIPS/GRATUITIES – SEE EMPLOYEE GIFT POLICY

### TOILETS

Please do not place any items in toilets other than toilet tissue. If you have any toilet problems contact Management immediately. If your toilet overflows please try to shut the water valve off (which is located directly behind and below the tank) and then call Management or on-call staff immediately. We suggest that each Resident have a plunger on hand for emergency use.

### TRANSPORTATION

Presbyterian Homes of Bloomington operates a scheduled route transportation system for all the communities on campus. See receptionist for a brochure of scheduled routes. Please see Management for more information and the Guidelines for Riding on PHS Vehicles which outlines rules and restrictions. Outings may be cancelled under certain circumstances including, but not limited to, weather conditions and group size.

### TRASH DISPOSAL

Trash chutes are available for you on second and third floors. First floor Residents please dispose of trash in Trash/Recycling room located by the elevator. Please securely tie all garbage in plastic bags.

### URGENT CALL SYSTEMS

The housing care environment of Newton Manor is equipped with an urgent call system. The system allows Residents to move freely around the interior of the community and summon help with the push of a pendant. The pendants were set up to work in your apartment and hallways at Newton Manor including the immediate courtyard as well as underground parking, The Commons, Gideon Pond, and the Town Center community areas and the Chapel. If Residents of our housing care environments need assistance, they are able to press the pendant to request assistance. The pendant alerts will identify the part of the building the alert call is coming from for housing support staff to respond. Please do not move from the area in

which you pushed the pendant. **For your safety, we ask that residents wear their pendant at all times.** Pendant calls will be responded to as soon as possible with the safety of other residents taken into consideration.

In certain circumstances, there may be a charge for pendant use; see the Hospitality and Ancillary Services Rate Sheet for fees. There will be a charge for pendant replacement due to loss or Resident-caused damage. The pendants will not work outside of the building. For extended time away from the Community (more than two hours), we encourage you to leave your pendant in your apartment. The pendant will attempt to communicate wirelessly every 15 minutes which may lead to shorter pendant battery life.

### VISITORS

Residents' family and friends are welcomed and encouraged to visit. All visitors must sign in at the reception desk and wear a name badge. We invite Residents and their visitors to use commons areas, grounds and amenities. Some areas or equipment may require reservation prior to use. Visitors are asked to respect the privacy and comfort of all and use discretion, so their visit does not interfere with others' enjoyment of the Community. Children are always to be accompanied by an adult. Children are encouraged to visit, but it is the parent's, and ultimately the resident's, responsibility to monitor the conduct of young visitors. Please be reminded that this Community is a smoke free community.

Visitors are subject to same rules and expectations as you. You may not have more than two overnight visitors and visitor stays should not be longer than two weeks per stay, without prior approval of Management. Overnight visitors are to sleep within your apartment or reserved visitor/guest room.

Activities programs are designed for you and other Residents. We encourage friends and family to participate if space is available.

### VOLUNTEERS

Volunteerism is an important part of the ministry at PHS. You are encouraged to find a way to become involved in the life of the Community through volunteer service. All volunteers are to register and be approved with the Volunteer Department before serving. Please note that in our care environments, volunteers may be subject to a background check. From time to time you may see volunteers within the Community. You may identify them by their volunteer nametag.

### WAITING LIST/PRIORITY SYSTEM

We are committed to serving you through our continuum of care as your needs may change. Residents of PHS may have priority access to other PHS communities and services. Because our Communities are sometimes full, we are not able to promise that the preferred room or apartment will be available in the preferred Community at the time of need. At times there may be two or more parties with priority seeking the same room or apartment. At such times,

Management will review all of the circumstances, including need, and make a determination. Please see Management if you have questions.

#### WATERBEDS

Due to the potential of water damage, the use of water beds is not permitted.

#### WELLNESS CENTER

Our Wellness Center is located in the Town Center and is available to help you to achieve your wellness and fitness goals. You will receive fob access to the Wellness Center, after reading and signing a Wellness Center Waiver & Consent and receiving an orientation to the equipment. Residents of our care environments may be asked to receive a Wellness Medical Clearance as well before using the Wellness Center.

No fee is charged to participate in any Wellness Center activity, except for personal training. See the activity calendar for class offerings, fitness programs and initiatives. Wellness Center hours may have designated hours of operation. Please contact Management to complete required forms or if you have questions.

#### WHEELCHAIRS/WALKERS/MOTORIZED CARTS

This Community recognizes that the use of motorized carts or electric wheelchairs may be necessary and beneficial for some Residents. Individuals who use motorized carts or electric wheelchairs assume the responsibility for safe use and any injury or damage resulting from that use. Any repair costs due to damage done to the Resident's apartment or common areas will be the responsibility of the resident. Management reserves the right to prohibit the use of a motorized cart or electric wheelchair if it proves to be unsafe to the resident or others, and/or if the vehicle causes excessive damage. Motorized carts and/or electric wheelchairs must be operated at speeds slow enough to ensure the safety of the operator and others and must be stored in the Resident's apartment. We ask that you travel at a pace no faster than a normal walking pace. Operators are asked to drive on the right side of the hallway or room, and to be particularly careful when driving in and out of elevators and resident dining rooms. Residents are responsible for the care and maintenance of their motorized wheelchair/scooter. All Resident owned wheelchairs, walkers, and motorized scooters/wheelchairs must be stored within your apartment.

This Community owns wheelchairs/walkers that can be used by Residents on a temporary basis for hospitality purposes. If needed for longer than a 24-hour period, please consult with Management. If you require use for an extensive or undefined period, you will be required to purchase or rent one for personal use. See also SAFE MOVEMENT.

#### WHIRLPOOL

The Whirlpool is located next to the Wellness Center. Please see pool schedule for hours.

## WINDOWS

Exterior window washing is completed on all buildings at least once per year by the Community. In Independent Living environments, interior window washing is the Residents' responsibility. We welcome you to reach out to our housekeeping department to have them perform your interior window cleaning for an additional charge. In PHS care environments, interior windows are also cleaned by the Community at least once per year at no additional cost to the Resident. If you discover a cracked or damaged window, please contact Management.
